

Tantus Desk

The design of the Tantus desk distills function to its essence. Its large scale provides ample surface area for work. The thoughtful addition of sliding top panels incorporates technology and conceals cords and wires. In contrast to its straightforward function, the Tantus desk appeals to the senses with elegant detailing at the corner connection and a wide selection of wood species.

Specifications

Table desk is available in 2 sizes. It comes standard with a pencil drawer. Powered desk includes sliding panels that provide access to 1 voice/data port and 1 electrical outlet on each side of the desktop, a 6' power cord and wire access through the leg panel. Leg panel can be centered over a floor monument for direct power entry into the leg panel or power connections can be positioned inside the leg panels. Hard wiring with 6' flexible conduit is available for power/data port to meet local code requirements.

Options – Specify:

Wood: Maple, Ash, Cherry, Walnut or Mahogany are available as standard. Option A Woods may also be specified at an additional charge.
Finishes: Standard and custom finishes; Cerused finishes may be specified on Ash for an additional \$140 list charge per item.

Model	Description	Dimensions	Standard Wood	Option A Woods	Weight
