Lily

Shapely form, naturally comfortable

Cumberland Handwork Collection
Lily Seating
 Designed by Jeffrey Botwin of
 Herringbone Design

Lily seating is aptly named. Its fluted back gently opens outward in a form that recalls the shapely petals of the lily flower. As the lily comprises hundreds of species, so Lily seating has many manifestations—from lounge to 2- or 3-seat sofa upholstered in a choice of hundreds of fabrics and leathers. Plush cushions, full upholstery, and tapered legs complete the comfortable, inviting appearance.

Tapered legs and continuous wood base complement the full upholstery

A shapely form foretells a comfortable sitting experience

From a seat of plush, fixed cushions the back opens outward invitingly

Specifications

Fully upholstered lounge chair and 2- or 3-seat sofa with fixed cushions and a wood base. The base is constructed of maple solids with double dowels and corner-blocked front legs and rails. Legs have nylon glides. The seat is 4"-thick multi-density polyurethane foam on webbing that is stretched over a hardwood plywood frame. Catalyzed lacquer finish in all Cumberland Maple finishes. Also available with down-wrapped seat cushions.
