Solitaire

Effortless elegance, seamless simplicity

Solitaire Bench and Ottoman
 Designed by Ini Archibong

With its seamless simplicity, the Solitaire Collection bench and ottoman can either accent or recede into a space. In two shapes and three sizes, the ottoman can assume different roles beyond what the name suggests: occasional table, additional seating. And as part of a collection, it can carry the Solitaire theme of effortless elegance.

Whether round or rectangular, the ottoman is upholstered with understated simplicity.

The detail of the polished stainless steel base suggests the setting for a jewel.

Multiple shapes and sizes suit the Solitaire bench and ottoman for a variety of functions and spaces.
