Elle Collection

The language of line and surface

Elle Tables
 Designed by Cory Grosser

Like the rest of the Elle Collection, the table speaks through lines and planes. The base of the Elle table recedes into the visual background, elevating the tabletop with its curved edge detail. Beautiful to look at and live with, the curved edge exemplifies Cumberland wood craftsmanship.

The stainless steel base is designed for subtlety

Both wood and solid-surface materials accentuate the curved edge detail

A vocabulary of sizes lends versatility to Elle tables
