Modo Collection Gala

Distinctive appearance in a practical design

**Cumberland Modo Collection**  
**Gala Table**  
 Designed by Gary Lee Partners

The striking appearance and surprising value of Gala coffee and end tables originate from an intricate design that uses simple, wood components. Square and round tops join angled legs for a pleasing profile. The interconnected, x-base adds a distinctive and practical detail that makes the tables appropriate for traditional and contemporary settings in offices and public areas.

Solid-wood components ensure beauty and strength

Angled legs join the x-base to create a distinctive look
