

Fundamental, elegant forms and an understated appearance are key to the classic style of the Savona conference tables. Steel X-shaped bases combine strength and stability in a simple design. Wood and stone top choices and a selection of edge details add to Savona's versatility and timeless good looks.

Specifications

Conference tables are available in wood or stone tops in a variety of top shapes and edge options combined with polished or satin steel or statuary bronze bases. On tables with a width larger than 48"w, a modified base that has four support posts per base, instead of the standard one, is used.
