

Solitaire Desk

The spare lines of the Solitaire Collection make for the simplest of desks. The refined details of the stainless steel base complement the expanse of the surface, which can be wood, painted glass, or solid surface to assume different characters. Because it's part of a collection, the desk can be supplemented with pieces that echo its jewel-setting details, equally elegant with other modern or classic pieces.

Specifications

Solitaire Desk has wood, back painted glass or solid-surface tops affixed to a polished steel base.
