

# Tantus Table

The design of the Tantus desk distills function to its essence. Its large scale provides ample surface area for work. The thoughtful addition of sliding top panels incorporates technology and conceals cords and wires. In contrast to its straightforward function, the Tantus desk appeals to the senses with elegant detailing at the corner connection and a wide selection of wood species.

## Specifications

Table desk is available in two sizes. It comes standard with a pencil drawer. Meeting tables are produced without a pencil drawer and are also available in two sizes. Powered tables include sliding panels that provide access to power units on each side of the table top. Power units have a 10' power cord and wires are routed through the leg panel. Leg panel can be centered over a floor monument for direct power entry into the leg panel or power connections can be positioned inside the leg panels.

## Options – Specify:

- Wood:** Maple is standard; Walnut and White Oak are also available. Option A Exotic woods are available for an additional charge.
- Finishes:** Available in any standard MP finish on Maple, any premium WL finish on Walnut, or any premium WO finish on White Oak. Cerused finishes on Oak are available for an additional charge of \$140 list per item. Custom finishes are also available.
- Power:** Units with (2) grounded 15-amp simplex power are standard. Units with (1) grounded 15-amp simplex power outlet and (2) 1-amp USB outlets may be specified for an additional \$220 list charge per power unit.
