

Clover Wood Table

The Clover Wood Collection offers a side and coffee option. Both share the refined base of the collection. Together, the pieces of the Clover Collection can carry a thread of design continuity throughout a space that contains different functional environments.

Specifications

All Clover Tables are available with 1-inch-thick wood or solid-surface tops with a square edge. Wood tops are finished in Catalyzed Lacquer in all Cumberland finishes. Side and coffee tables are available with a top of half-inch tempered painted glass with a square edge. Wood bases come standard in Maple but are available in Walnut and White Oak as well.

Options – Specify:

- Top: 1"-thick wood or 1"-thick glacier white solid surface with a square edge or .5"-thick tempered painted glass with a square edge.
- Glass: White Satin is standard, other painted glass offerings are also available.
- Solid Surface: Glacier White is standard.
- Stone: 3 grades of Marble, Granite or Quartz.
- Wood: Maple is standard; Walnut and White Oak are also available.
- Finishes: Available in any standard MP finish on Maple, any premium WL finish on Walnut or any premium WO finish on White Oak. Cerused finishes on Oak are available for an additional charge of \$140 list per item. Custom finishes are also available.
